

Talking points for the Friends of the Animals Community Spay & Neuter Clinic

General info:

- The Friends of the Animals Community Spay & Neuter Clinic officially began accepting appointments on February 23rd.
- The Clinic offers spay and neuter services for both cats and dogs, along with common vaccinations and microchipping at time of surgery.
- The Clinic offers an easy-to-use online scheduling portal that can be found on their website at www.fotasclinic.org
- The clinic is presently open 3 days a week. Their goal is to increase to 5 days a week as staffing allows.
- Recruiting for additional veterinarians and medical staff continues in earnest.
- Increasing the surgery capacity per day is also a key goal, while still maintaining the highest quality of care.
- Updates to their schedule will be posted on their social media channels at:
 - facebook.com/fotasclinic
 - instagram.com/fotasclinic/

Pricing

- Pricing has been set at the lowest possible rate, while covering the costs to operate the Clinic.
- Every FOTAS Clinic surgery includes take-home pain meds and e-collars included in the price.
- While some clinics may offer lower list prices, clients are required to add on additional exams, or other costs that end up being more expensive.
- Creating the Clinic has been a monumental endeavor for FOTAS and they have incurred considerable costs in making the facility a reality for the community.
- Additional equipment and supplies are still needed, and fundraising continues to meet their initial fundraising goal of \$200,000.
- Any surplus funds or donations will be reinvested into the Clinic!
- Donors and volunteers are a critical resource for the Clinic, helping to ensure the expansion of services and the continuation of high-quality care as the clinic grows.
